SUBJECT: Stupid Pet Tricks

Mr. Jay Leno telephoned to say that he was amused at our inability to keep our television studio cleaned. Apparently he had watched a taping of our segment on “Stupid Pet Tricks” and enjoyed my fall on stage. I recommend that the next time someone brings an African Elephant on stage, we have someone to clean up after the beast. The cleaning bill for my double breasted suit was astronomical.

A workshop has been scheduled so that our crews will be better trained in this regard. I appreciate the work you have all done in the past and look forward to working with you in the future. We just can not become the brunt of any more of Leno’s jokes.

Please sign up for the workshop in the front office at your earliest convenience.
